

Hot Chocolate and Bedtime Stories

Wednesday 15th January

5pm

See separate letter for details.

Attendance News

Class 6 have the best overall attendance so far this year:

96.31%

Favourites Day Lunch

It is census day next **Thursday 16th**. Data is collected on this day that determines our funding next year, including how many children have a school meal. The kitchen will be serving:

chicken nuggets

cheese and tomato pizza

Children who do not usually have school dinner can have one on this date.

Last chance to apply for Reception school places or Year 3 places for September.

15th January 2020

If you need help to do this, please speak to Megan

TODAY

We have swapped to a new programme called 'Evidence Me' for observing children and keeping their learning journals. We will no longer be email observations to you. There is an app that you can download to access your child's observations on a tablet or smartphone. I will be sending details of how to do this next week.

Family Fridays

Thank you to all the Reception parents who have been able to join phonics lessons on Fridays in the autumn term. We hope that this has enabled you to learn more about how we teach phonics and how to support your child at home.

We will NOT be running open access sessions this term, but you will be invited to phonics lessons when your child is awarded SMILE assembly.
