WELCOME TO SCHOOL LUNCHES

Fantastic Food

We serve freshly prepared innovative, healthy, nutritious, seasonal, local and ethically sourced food. The Food for Life standard menu that we produce on site is specifically adapted to meet the needs of the School. Using our experience, and by working closely with the school prior to each termly menu revision, we adapt, evolve with trends and are flexible in our approach to ensure that the school have the desired menu. However, if children have identified any dishes that are not popular then we can and do make changes from time to time. The menus offer popular recognised traditional dishes both meat and vegetarian or the choice of a jacket potato with a variety of toppings. For dessert we have delicious home-baked puddings with a healthier option of fresh fruit always available.

Wonderful People

Our team are extremely proud of the food they prepare and serve, they enjoy working with pupils and interacting with them to make lunchtimes fun.

Great Dining Experience

It is not just the food that is important, it is the whole meal experience. Dining with friends, enjoying familiar foods, having fun and enhancing the learning experiencing. This will be served in the safest possible environment that we have set up, working alongside the school's approach to a safe and enjoyable school day.
