The underspend in 2019-2020 is due to the disruption caused by COVID-19 and will be carried forward and spent in 2020-2021.

Spending	Item/project	Objectives	Impact
£3000	NPA SLA - 1 hour weekly coach to come into school to support the teaching and learning of PE across school	<p>To develop teacher's knowledge, understanding and skills in the teaching and learning of PE</p> <p>To provide good quality PE provision from a highly trained teacher for all the children to access</p>	<p>Teacher feedback continues to demonstrate the increased confidence in teaching the areas of the curriculum that have been supported by Nene Park Academy. Teachers have indicated that the high level of teaching provided has enabled them to implement activities taught, and teachers have stated that they have developed a higher level of competency when teaching these areas which has ensured effective progression for children throughout the school.</p> <p>Data has shown that most children are on course for achieving the expected standard as well as some children achieving an exceeding standard.</p>
	NPA SLA – 1 inter schools sports tournament / celebration sports event for each year group	To extend the opportunities the children have to enter into sporting competitions and events with other schools	Events planned for the summer term which would have included opportunities for children to take part in competitive sport, as well as broadening the range of physical activities offered to children.
	NPA SLA – 2 enrichment sessions	<p>To extend opportunities for children to participate in competitive sport</p> <p>To broaden the range of sports and activities offered to children</p>	<p>Nene Park Academy provided a Sports Relief morning for the entire school. Children were placed in groups and leaders from Nene Park completed sporty activities. This enabled children to access a greater range of sports and activities as well as offering a competitive element. Feedback from teachers and children indicated that there was a high level of enjoyment.</p> 

£1328	Updating and buying new PE resources for PE teaching and learning	To provide good quality PE resources to ensure quality teaching and learning in PE, during taught and zone learning	<p>Updated PE equipment order has refreshed resources and enabled teachers to provide effective and good quality PE lessons through the use of up to date equipment.</p> <p>Budget used to purchase football goals for the back field, which will enable children to engage in physical activity through the use of the equipment. This will also keep children engaged during lunch time play.</p>
£3130	Updating and buying new lunchtime and outdoor equipment	<p>To engage children in at least 30 minutes' physical activity per day</p> <p>To broaden the range of sports and activities offered to children</p>	<p>Lunchtime staff have completed an order for new lunchtime equipment. Observations have shown that children are using the equipment effectively and this has enabled children to have a wider opportunity to take part in lunch time games and activities.</p> <p>Observations of the learning environment in nursery has demonstrated that children are inspired and love to learn in the new mud kitchen. This has enabled children to engage in physical activity and access a wider range of activities within learning times.</p> <p>Reception sandpit due to be installed on 29th July 2020. This will enable children to engage in physical activities set out by the reception teachers during learning times.</p>
£0	Transport to enable pupils to take part in competitive sports events	To extend the opportunities the children have to enter into sporting competitions and events with other schools	Sports events were due to take place in the summer term and did not happened due to the COVID-19 school closures.
£320	Football and dance Year 1 Sports Club	To engage children in at least 30 minutes' physical activity per day	9 out of 10 sessions of the street dance club for year two had been completed prior to school closure. 19 children attended the club. Observations from myself as well as staff that were in attendance have demonstrated the effectiveness of the teaching as well as allowing children to enjoy learning a new skill and style of dance. This has enabled children to have a wider opportunity to take part in a range of activities and dance styles.

		<p>To broaden the range of sports and activities offered to children</p>	<p>Year One Sports Club. 27 children attended the sports club provided by Nene Park Academy. This has broadened the range of sports and activities offered at the school and has enabled children to take part in at least 30 minutes of physical activity.</p> <p>Football club was scheduled for the summer term and did not take place due to the school closure.</p>
<p>£2106</p>	<p>Swimming for Year One</p>	<p>To engage children in at least 30 minutes physical activity per day</p> <p>To broaden the range of sports and activities offered to children</p>	<p>The use of the Regional Pool at Vivacity has allowed children to gain develop life skills and confidence in water. The children have been able engage in physical activity and have been able to learn a variety of tasks within the water such as staying afloat, swimming short distances by developing strengths within their limbs and body to perform swimming tasks. The sessions have also highlighted the importance of being safe when in and around a water setting. The children have thoroughly enjoyed the weekly swimming sessions and they have recognise the sense of achievement that the skills have taught them.</p> 

£360	Club cover	To engage children in at least 30 minutes physical activity per day To broaden the range of sports and activities offered to children	Golf club and Zumba were delivered during the autumn term. The clubs were popular and delivered on a weekly basis for year 2 children. The golf club focused on basic skills for using correct golf equipment and technique in order to play the sport. Zumba club promoted cardio activity, use of balance and co-ordination and learning simple routines. Verbal feedback from the children showed that the club had a positive impact on skills taught. The clubs also enabled children to access a wider range of sporting activities that are not normally covered in normal PE sessions.
