Number 16: 12th January 2024

Class 6 were clear winners this week with attendance of 97.86%

'Hello Parents, Carers, Staff and Children of Brewster Avenue School. I hope you had a lovely Christmas and New Year break and you are all refreshed for the year 2024!

You may have seen me standing at the top of your street some mornings seeing you into school safely, seeing your smiling faces and cheery waves is the best part of my job! I am there to make sure there are limited cars using the street during school hours.

The road is part of Peterborough School Streets Scheme which means it is CLOSED TO ALL SCHOOL RUN TRAFFIC. Please consider observing this law, there is ample parking behind the NISA STORE where you can walk from. The scheme is in place for a reason and I will continue to do spot checks on this and ask for feedback from the school, residents and TESCO EXTRA. Anyone not observing this, may have further action. I know the weather is colder and wetter but this also impacts our visibility when driving and could compromise the safety of a child making their innocent journey to school.

I hope you have a healthy, happy and safe New Year!

PC GEDNEY, Your Neighbourhood Officer'
