Social Distancing

We have had some concerns raised about families not social distancing on the playground. This is particularly concerning if you are also choosing not to wear a face covering.

We ask that you:

- **Wear a face covering when you are on the school site**
- **Stand 2m from anyone who does not live in your household**
- **Be respectful if others ask you to keep your distance**
- **One parent/adult should pick up children (no large family groups on the school site)**
